### EDUCATION

|                            |           |                                                  |          |
|----------------------------|-----------|--------------------------------------------------|----------|
| B.Tech (Mechanical and CS) | 2022-2026 | Dayalbagh Educational Institute, Agra            | 7.2 CGPA |
| CBSE (Class XII)           | 2022      | Sumeet Rahul Goel Memorial Sr. Sec. School, Agra | 89.4%    |
| CBSE (Class X)             | 2020      | St. Francis Convent School, Agra                 | 86.4%    |

### EXPERIENCE

**Cadence Design Systems, Noida | R&D Trainee | C++, C#, Shell language, Perforce** Apr'25 -Aug'25

- As a part of the **Tempus SynTech team**, contributed to the enhancement of the **Tempus tool's core codebase** by developing automation scripts to extract and analyze multi-stage design information from tool logs, improving workflow efficiency.
- Streamlined the **code promotion and testing process** by performing final validation, modifying regressions, and aligning test cases to ensure seamless execution across multiple modules.
- Improved overall **tool performance and code coverage**, supporting debugging, optimization, and integration activities in close collaboration with the R&D team.

### ACADEMIC ACHIEVEMENTS AND AWARDS

- Awarded as the 'Most disciplined Student of the year' and 'The Best Artist of the Year'.
- Gold Medalist in Silver Zone Science and Mathematics Olympiads.

### TECHNICAL SKILLS

|                                                                                                        |                                                               |                                             |
|--------------------------------------------------------------------------------------------------------|---------------------------------------------------------------|---------------------------------------------|
| C/C++, HTML, CSS, JavaScript (Basic), Python, OOPS, DSA, LINUX (Basic) AutoCAD, SOLID WORKS, MS Office | Communication, Leadership, Problem Solving, Management skills | Research , written and oral English fluency |
|--------------------------------------------------------------------------------------------------------|---------------------------------------------------------------|---------------------------------------------|

### POSITIONS OF RESPONSIBILITY

- Class Representative in college.
- An active member of NSS.
- Member of IEI Student Club.

### EXTRA-CURRICULAR ACTIVITIES AND ACHIEVEMENTS

- Secured first position in Treasure Hunt.
- Won various sports competitions.

### PROJECTS

- The Amazon Clone Website**  
Created an Amazon clone website using HTML and CSS, featuring a responsive design and e-commerce functionalities, such as product listing, cart page, etc.  
[https://github.com/Shubham09-tech/Amazon\\_Clone\\_project](https://github.com/Shubham09-tech/Amazon_Clone_project)
- Bank Management System in C++**  
Built a secure Bank Management System in C++ for viewing account details, and performing deposit and withdrawal operations with real-time balance updates.  
[https://github.com/Shubham09-tech/Bank\\_Management\\_System](https://github.com/Shubham09-tech/Bank_Management_System)
- Automated Timetable Generator (Ongoing)**  
Developing a system to automate timetable creation using Python, Django, and SQLite. The system supports teacher allocation, clash detection, conflict resolution, and generates the final timetable in PDF format.
